**WA Wine PAC**

The WA Wine PAC is the Washington Wine Institute's Political Action Committee, created to provide our industry with the opportunity to support those state candidates for elected office that have stepped up and shown their willingness to be leaders in Olympia for us through protection from harmful legislation as well as sponsorship and vocal advocacy in support of ideas that would benefit our entire industry. Please consider supporting the WA Wine PAC by adding a small additional amount to your annual WWI dues so that we may strengthen our ability to support those who support the Washington wine industry.

Yes, I will support the WA Wine PAC with an additional 5% added onto my annual WWI dues' payment

<sup>1</sup>WWI dues are not deductible as charitable contributions for federal income tax purposes. The Internal Revenue Code also limits the amount of business expense deduction for dues paid to associations that engage in lobbying activities. Based on IRS criteria, 50% of your WWI dues are not deductible as a business expense
